Tehzeeb Koi Meri Nazar Mein Jachegi Kia,
Meri Nigaah-e Shauq Ne Dekha Hai Lucknow

Kanak Rekha Chauhan, Lucknow : Kudos Lucknow ! You have achieved what is one of the most difficult accomplishments, for any individual / organisation / state machinery – in present times of socio-economic conflicts, by bringing together the city on one forum. You created a genuine concern and awareness amongst the Lucknowites regarding our well-known and not so well known heritage monuments in various states of existence, subsequently making an effort to draw the attention of the concerned authorities seeking their help. Working towards reviving Zuban-e-Lakhnau, which is deteriorating by the day. Unifying the youth from different strata /religions / educational backgrounds and offering them an opportunity to express themselves on the issues of culture and heritage. The Gen-Y forms the majority of the members of Lucknow.me – they are our future and it is really a delight to observe their passion to revive our culture and 'virasat'. Thank You Lucknow . Keep up the good work !

Harendra Narayan Singh, Lucknow : If we know about Culture, Architecture & History of our city only then we know about ourselves. Lucknow.me is providing knowledge about us. I salute the people behind this for their services for the people of Lucknow.

Rashmi Joshi, Ahmedabad : Though I am miles away from Lucknow city, I feel that I am right there through photographs, features and updates of the city published on Lucknow page by the society. People like me could see Lucknow through the page. Thank you so much guys for your efforts. Congratulations !

Atif Hanif, Lucknow : Lucknow page is a wonderful culmination of Culture, Heritage, Architecture, Literature, Cuisine, Music, Dance, Quiz & Contests, Sports, Important Personalities, Cultural Events, Social Issues, Updates on the happening events & activities around the calendar.....and much more ! This entire project or rather mission is very close to my heart & mind as this society has professionally developed Lucknow as a Brand ! Looking forward for a great journey !

Isha Priya Singh, Dubai : Lucknow Society has been doing the kind of work, I have always dreamed of doing for my beloved city 'Lucknow'. The medium of social networking (Facebook) has been used remarkably well to spread awareness about issues concerning Lucknow. Not only has it given Lucknowites a platform to discuss several issues, but has also made genuine efforts to revive Lucknow's culture and language especially through segments like 'Lets revive'. I really look forward to posts from the page. It makes me feel connected with my city, even when I am so far away. I am sure all the good work would yield amazing results very soon'. All the very best !

Rubina Alvi, United Kingdom : Lucknow Page is a wonderful source of information about our city and culture. I am very grateful to the team who is providing us with immense information and improving our knowledge.

Pooja Singh, Lucknow : Aur lucknow page ke baare me kya kahu jab ise join kiya tha to sirf isliye ki mujhe apne lucknow ki jaankariya milti rahe..... socha bhi nahi tha ki ye eik itna bada manch banega jo lucknow ki awaz ko duniya tak pahuchaega aaj lucknow me kai pareshaaniya hai Lucknow page un sabko purzor tareeke se uthata hai aur shaher ki aam janta ko bhi isme shaamil karta hai..... din pratidin lucknow page ki badhti prasiddhi apne aap hi iski kahani bayan karti hai.... "Haath kangan ko aarsi kya" ye kahawat lucknow pe khari utarti hai..... bus itna kehna chahungi iske liye ki bhagwaan kare ye page duniya ka sabse prasidh page ban jae jisse saari duniya 'Hamare Lucknow' ko jaane aur is shaher ka naam duniya ke shahero me pehli pankti me liya jae.... Ameen
